### How might we -notes:

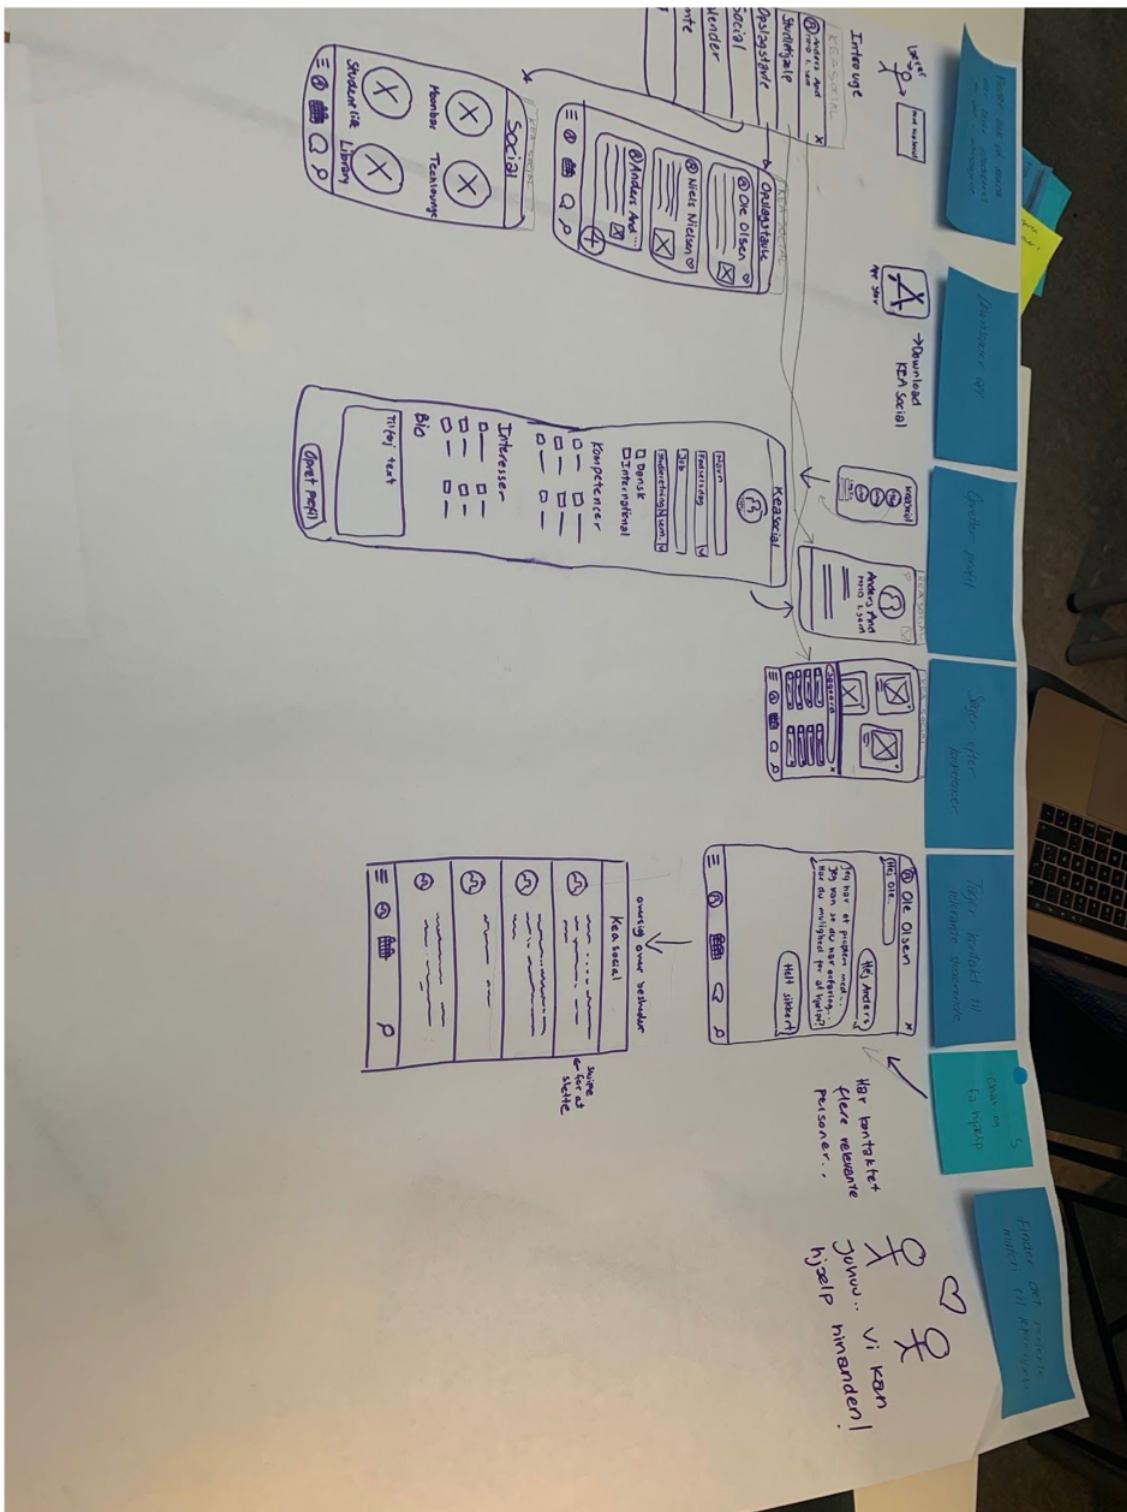

## Storyboard

The image displays two screenshots of the keaSocial mobile application. The left screenshot shows the landing page, and the right screenshot shows the user menu.

**Landingpage – 1**

The landing page features a red header with the "keaSocial" logo. Below the header are two small flags (Denmark and the United Kingdom). The main visual consists of three vertically stacked circles: a teal circle at the top containing the text "Lav en profil", a pink circle in the middle containing "Søg efter andre studerende", and a blue circle at the bottom containing "Skab Netværk". A dashed vertical line connects the centers of these three circles. At the bottom of the page, there is a section for existing users with fields for "E-mail" and "Afgangskode", and a link "Ny Bruger?". A large orange "Log ind" button is located at the very bottom.

**Menu**

The menu screen shows a profile picture of "Emilie Frank Nørmølle" and her status "MMD 1. Sem". Below the profile are six menu items, each with an icon and text: "Studiehjælp" (blue background), "Opslagstavle" (pink background), "Social" (teal background), "Kalender" (grey background), "Gemte" (dark purple background), and "Søg" (dark grey background). Each item has a right-pointing arrow indicating it leads to another screen.
